122 x 61 x 1 cm.
48 x 24 x 3/8 In.

61 x 61 x 1 cm.
24 x 24 x 3/8 In.

41,7 x 91,4 x 1 cm.
18 x 36 x 3/8 In.

Storage space saving

Thinner tiles improve storage by loading more m² per crate with the same weight, which also reduces transport costs.

Reduced weight

The reduced weight of the tiles (28 kg/m²) makes handling and installation easier, and facilitates overtiling on existing floors.

Improved color matching

Producing more material from the same selected big block means more accurate color matching.
