THE COMPANY

SINCE 1995 NOURISHING OUR PASSION

# pinacas

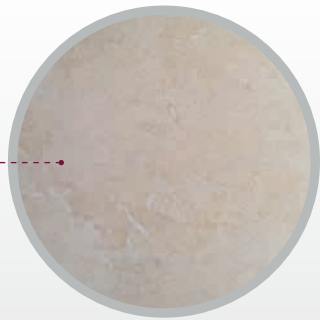

We haven't stopped growing for a single day. Reinventing ourselves project after project, with strong will, ingenuity and dedication. We will continue to follow this path, making our dreams come true

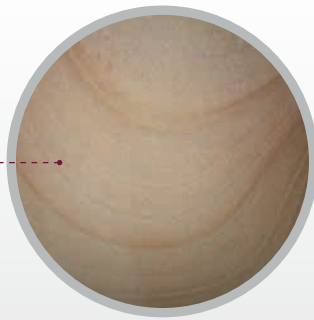

# MATERIALS

Our exclusive quarries provide extraordinary materials at everybody's reach

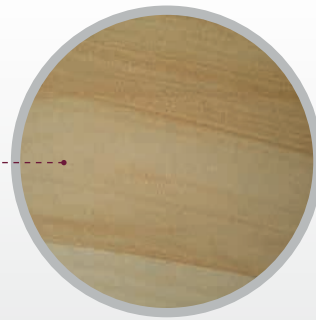

**QUINTANAR  
BEIGE  
SANDSTONE**

When elegance and firmness come together to give body to the essence of the project

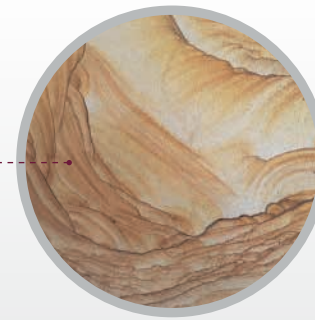

**QUINTANAR  
VETA  
SANDSTONE**

Bright and radiant colours, that come to life and bring with them attraction and enlightenment.

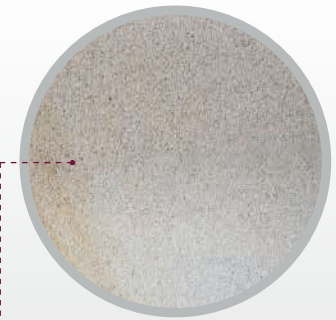

**DUERO  
SANDSTONE**

Success is found when you can turn something ordinary into extraordinary. Dare to be different!

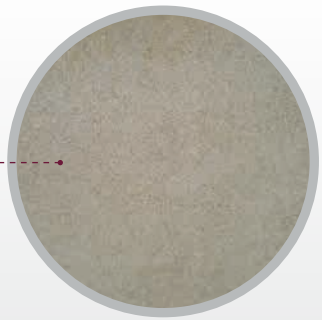

**BERRÚN  
SANDSTONE**

Experience reality inside your imagination

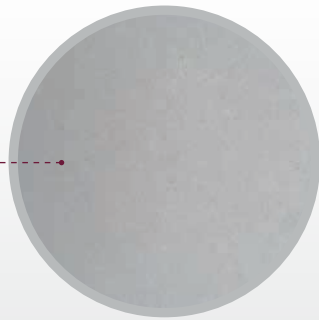

**BLANCA  
CASTILLA  
SANDSTONE**

Allow yourself to break the monotony but keep the harmony

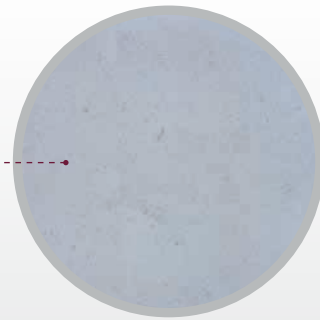

**BEIGE SANZA  
SANDSTONE**

Creativity that searches for details, perfect proportions, precise balance is one that transmits truly marvelous emotions

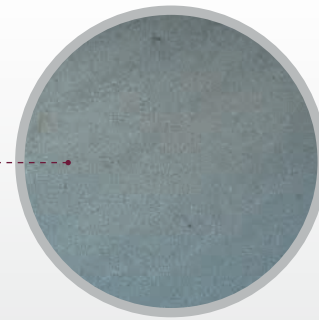

**CREMA SANZA  
LIMESTONE**

Enrichen the space with a great sense of beautiful functionality. That way you will know your art will remain in time.

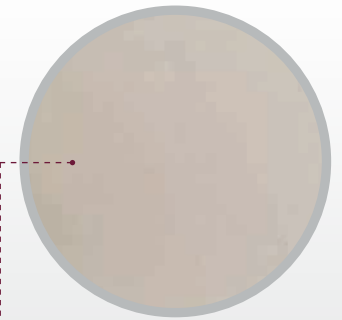

**LAGUNA  
LIMESTONE**

The most admirable path to create beauty is through nature in movement.

**GRIS  
PINACAS**

Choose firmness, choose strength and resistance, add value to your building

**SANZA**

It is in the simple solutions where the key to innovative projects can be found.

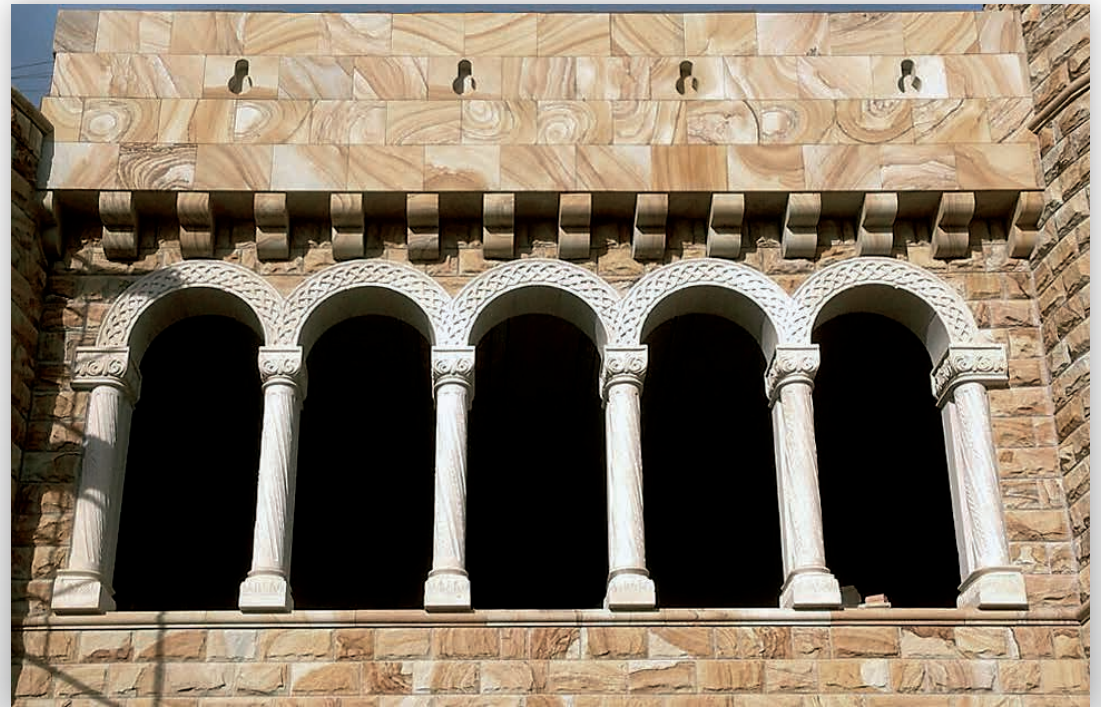

# PRODUCTS

IF YOU CAN IMAGINE IT,  
WE CAN DO IT

Never forgetting our "high" production standards : cladding, L & U shaped pieces, massives, split faced.... We are specialists in tailored made projects, mouldings, columns, arches, spheres, balustrades...

We also supply blocks and slabs

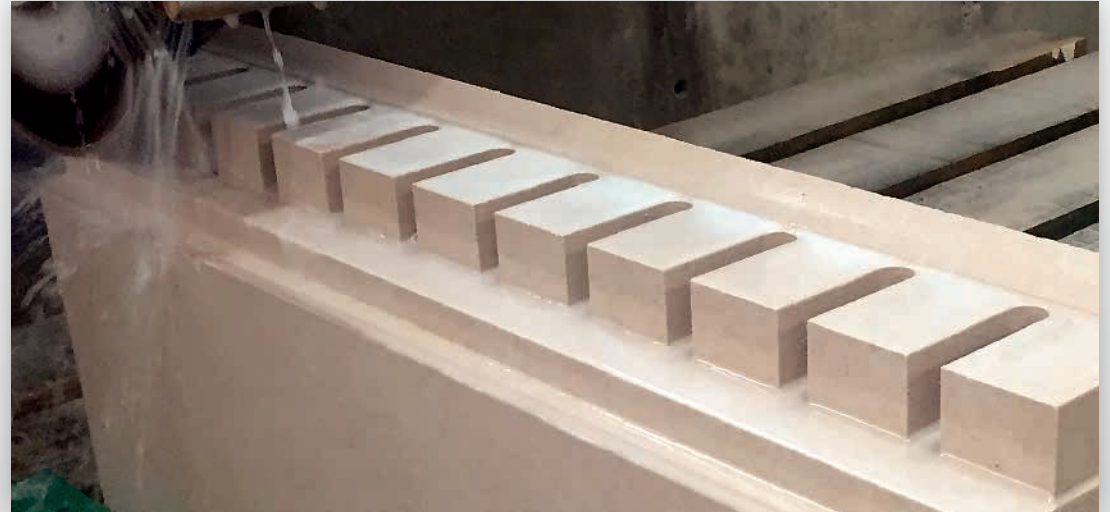

# THE FINAL TOUCH

DETAILED PERFECTION

Pinacas offers finishing lines that add not only functional values, but also ones that are perfect to the eye: honed, bush hammered, polished, split faced, and all types of special cuts
